Shortens Labor, Lessens Pain,

Abraham Lincoln When leaving his home at Springfield, Ill., to be inaugurated President of the United States, made a farewell address to his old friends and neighbors, n which he said, "NEIGHBORS GIVE YOUR

These words come with as much force to day as they did thirty years

How give them this chance? Up in the Northwest is a great oire waiting for young, and study felows to come and develop it and "grow up with the country." All over this broad land are the young fellows, the boys that Lincoln refered to, seeking to better their condition and get on in

Here is their chance!
The country referred to lies along the Northern Pacific R. R. Here you can find pretty much any thing you want. In Minnessota and in Red River Valley of North Dakota, the finof prairais lands fitted for wheat and grain, or as well for diversified farming. In western North Dakota, and Montana, are stock ranges limitless in extent, clothed with the most nutri tious of grasses.

If a fruit farming region is wanted there is the whole State of Washington to select from.

As for scenic delights the Northern

Pacific railroad passes through a country unparalleled. In crossing the Rocky, Bitter root, and Cascade mountains, the greatest mountain scenery to be seen in the United States from ear windows is found. The wonderful bad lands, wonderful ir graceful form and glowing color, are a poem. Lakes Peud d'Oreille and Cœur d'Alene, are alone worthy of a trans continental trip, while they are the fisherman's Ultima Thule. The ride along Clark's Fork of the Columbis river is a daylight dream. To cap the climar this is the only way to

reach the far famed Yellowstone Park. To reach and see all this the Northern Pacific Railroad furnish trains and service of unsurpassed excellence. The most approved and comfortable Palace Sleeping Cars; the best Dinner cars that can be made; Pullman and you will be suprised at second class passengers; easy riding Day coaches, with Baggage Express, and postal cars all drawn by powerful Baldwin Locomotives, makes a train fit for royalty itself.

Those seeking for new homes should take this train and go and spy out the lan i. To be prepared write to CHAS. S. FEE,

An honest Sweds tells his story in plain but unmistakable language for the benefit of the public. "One of my children took a severe cold and got the croup I gave her a teaspoonful of Chamberlain's Cough Remedy, and in five minutes later I gave her one more. By this time she had to cough up the gathering in her throat. Then she went to sleep and slept good for fifteen minutes. Then she got up and vomited; then she went back to bed and slept good for the remainder of the night. She got the croup the second night and I gave her the same remedy with the same good results. I write this because I thought there might be some one in the same need and not know the true merits of this wonderful medicine. Charles A. Thompsen, Des Moines, Iowa. 25

How Six Onto Oreis Out Staff a trouse Taying Mee to Propose.

Six young ladies in Ohio, having received attentions from six young men, exchanged considences and cume to a mutual understanding, says the Brandon Banner.

Although matters seemed to be progressing according to their wishes, there is still a certain impatience of victory among Eve's daughters, and they resolved upon an audacious move which should prove to the objects of their affections that they were, one and all, really good housekeepers.

They fixed upon a day, secured the house of a mutual friend and sent out

A feer weeks later Ohio was the richer by six more young households.

THE LARGEST CHEESE ON EARTH Causeds Has Made It for the Great Ex-

One by one the satisfying superstisery days are being questioned and abolished by scientists in all lines of research. The latest one to get its deathblow is the notion of the routhful lads the moon is made of cheese and is the biggest thing of that kind in the world. The Canadian dairy commissioner has gone one better and has made the mam-

would last an American family for over four thousand years. "Of course, be-ing as fine in flavor and richness as the best Canadian cheese," remarked the

aster rate." The Canadians are going to help Chiesgo in every way to make its exhibition a marvelous revelation to the nations of other continents of the foodproducing resources of America. Austria Ralarges Uer Exhibit.

Dr. Zapf, the accretary of the lower Austrian chamber of commerce, says that the interest in the forthcoming original space alloted in the world's fair to Austria has already been found absurdly small, but under the pressing persuasion of Mr. Goldschmidt, the American consul general at Vienna,
